Mr. William J. Casey
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Sir:

Reference is made to my memorandum to you dated April 15, 1982, in which I requested special demolition training from your agency for U. S. Secret Service personnel. The training that your agency has provided in the past has significantly contributed to our successful defense against the application of explosive devices toward our protectee.

I am again requesting that your agency provide special demolition training for approximately twelve U. S. Secret Service personnel as soon as possible after January 1, 1984. With your approval, the details of this training can be coordinated between John Flinn of our Technical Security Division (telephone 395-6093) and a representative of your agency.

Your approval of this request will be greatly appreciated.

Sincerely,

John R. Simpson
